Dear Bill:

I also enjoyed my visit with you in Washington. As time goes by and I hear more of what is going on in both the government and industry, I feel more inclined to believe Jason the only way to get where we want to be.

There is no doubt in my mind that I should like to work with you in getting things going. I read your proposal and have a number of comments. These I might be able to convey to you in writing or in person. I shall have some time in Washington again on June 7. If you care to get together again then, I shall be delighted to do so. If you rather I put my thoughts on paper, let me know.

Sincerely,
